

FOAMplus® DRUM RECYCLING

CONVENIENT AND EASY

SERVICE MEANS MAKING CUSTOMERS' LIVES EASIER.

FOAMplus® foam drum and IBC container disposal is easy. Simply contact your customer service agent or Storopack's partner and arrange for a pick-up of the empty containers. Storopack's partner will collect the containers to ensure correct disposal and recycling. The drums or containers are brought to a

facility where they will be cleaned and reconditioned for reuse. If they can't be reused, they will be recycled appropriately to make sure its valuable materials are used efficiently and sustainably. Ask your sales representative about joining the return program today.

HOW TO RETURN YOUR FOAMplus® DRUMS AND IBC CONTAINERS

1. USE AND EMPTY

Use your FOAMplus® machine to create foam packaging for perfectly protecting your products until the drums or containers are empty.

2. CALL YOUR SERVICE AGENT

To schedule the pick up of your empty 15 and 55 gallon drums contact your customer service agent.

For pick-up of your 275 gallon containers contact our partner directly at 1-800-774-6956.

3. PICK-UP

Storopack's partner will come and collect the empty containers to dispose of them correctly.

STOROPACK – PERFECT PROTECTIVE PACKAGING

Wherever in the world you send your products, we want them to be well protected while in transit.

FOAMplus® IS HIGH-PRECISION PACKAGING, LIGHT AS A FEATHER.

Our FOAMplus® packaging system protects your products using true-to-contour padding made of shock-absorbing polyurethane. Foam padding from Storopack is environmentally friendly as it is lightweight, reduces transport costs and can be re-used for the same products.
